January 20, 2026

Subject: CW General Meeting

The meeting was called to order at 12:00 Noon by President Chris Howard

There were sufficient Members for a Quorum.

Board Members present included Chris Howard, Angelo Petarca, Karen Flores, Bob Gasner, Gary Rall, and Gary Reynolds (representing the Apple User Group)

Karen Flores, Treasurer gave the report on the Club finances, a copy of the financials will be posted in Room A for review by Members.

President Howard set out goals for 2026 to include:

- Education - Instructors are available and a request to the group for areas of need and interest.
- Service to the community. Both the Repair and Maintenance Groups (Windows, Android and Apple) have saved thousands of dollars for our community while providing a valuable service for all CW Members.
- Space utilization – with particular emphasis on Member participation in Club activities
  Including all the User Groups, Genealogy, Flight Sim, Cut the Cord Streaming and AI.

The St. Patrick's Day social will be held March 11, 2026 in Summit A. A motion was made to authorize a not to exceed budget of $10,000.00 for this event, Seconded and approved by a voice vote by the Members present. A portion of the cost will be off-set by the fee charged to Members and their guests. Current membership is now at 1,300 members with 183 new members in January.

Business meeting was adjourned at 12:45pm.

Presentations were made by the Linux Group and Chris outlined some new scams going around.
Gift Card drawing was held. And the PC Groups raffle was held to complete the meeting at 1:30pm.

Respectfully Submitted

Bob Gasner, CW Secretary
